

Meet The Mercer County Fairboard!

WELCOME!

STEVE SCHULTE
Fair Manager

For those that are returning, **"WELCOME BACK!"** For those who are here for the first time, **"WELCOME & ENJOY!"**

After 159 years, we continue to strive in bringing you our best of another outstanding fair. A fair represented by a leading agriculture community that stands proud of its accomplishments, presents this year's theme, **"GET MOOVIN!"**

Continuing with a mission to move our fair in a progressive direction, we bring to you brand new attractions throughout the midways and fresh events in the grandstands. With the help of our sponsors and community, we continue to remain steadfast and focused on upgrading our facilities along with promoting growth of our agricultural exhibits. We continue and strive to offer family amusements from not only the midway, but also through featured special entertainment.

We take pleasure in bringing you once again, what we hope to be a memorable, fun filled, family focused 2011 Mercer County Fair. Again, to our Sponsors and Community both, **"THANK YOU!"** for your continued support!
